An accrediting organization is a "watchman on the wall". Webster defines accreditation as to give trust or confidence to; to vouch for; to recommend; to furnish with credentials, as an envoy or ambassador. Every accreditation group is not the same. They are different and focused in different areas of accreditation.

Accreditation Commission International is an international accrediting commission which holds as its primary objective the encouragement and maintainance of sound scholarship and the highest academic achievement in the areas of private education. Quality education in the goal at all times. Its purpose is the preparation of quality education in private schools, colleges, and theological seminaries. It is a non-governmental body and makes no claim to be connected with the government. U.S. Department of Education schools do not receive credits from this school.

A degree covers the major taken with that degree. A student or potential student must understand that credits taken in one type of program may or may not transfer to another type program. This is the sole determination of the receiving institution.

The job market is highly competitive. Training is specialized in most fields. A graduate in one field may have difficulty in being hired in a field they are not certified for.

By signing this form, I am signifying that I have received the Student Handbook and I understand the type of degree for which I have applied and neither ACI not Sola Scriptura College and Seminary is responsible for my employment goals.

### SEMNĂTURA CANDIDATULUI

O organizație de acreditare este un "vegheator pe ziduri". Webster definește acreditarea ca acțiunea de a oferi sau a avea încredere, a garanta pentru, a recomanda, a oferi acreditare, în calitate de reprezentant sau ambasador.

Accreditation Commission International este o comisie internațională de acreditare care are scopul primordial de a încuraja și a menține o educație sănătoasă și o performanță academică înaltă în domeniul educației private. Educația de calitate este întot-deauna scopul final. Ținta ei este de a oferi o educație de calitate în școli private, colegii și seminarii teologice. Ea este o entitate non-guvernamentală și nu are nicio legătură cu instituția de guvernământ. Școlile din Departamentul de Educație al SUA nu acceptă credite de la această școală.

O licență este obținută pentru o anumită specializare. Un student sau un posibil student trebuie să înțeleagă că acele credite obținute în cadrul unui anumit tip de program vor putea fi sau nu acceptate pen-tru transfer într-un alt program. Aceasta este la discreția respectivei instituții.

Piața de lucru este foarte competitivă. Educația este foarte specializată în majoritatea domeniilor. Un absolvent într-un domeniu ar putea avea dificultăți în găsirea unei slujbe într-un domeniu pentru care nu este licențiat.

Prin semnarea acestui document, declar că am primit Manualul Studentului (Student Handbook) și înțeleg tipul de program în care m-am înscris, precum și faptul că nici ACI, nici Sola Scriptura College and Seminary nu sunt responsabile pentru scopul meu în vederea angajării.

Stud

I understand that preparation for Christian work requires my personal commitment to the Lord Jesus Christ and separation from sin. I further realize that as an SSCS student, I represent the Lord Jesus Christ as well as the Institution. I am aware that the Scriptures prohibit certain behaviors and attitudes such as stealing, lying, gossiping, backbiting, profane language, drunkenness, drug abuse, sexual immorality, occult practices, cheating, lust, pride, bitterness, discrimination, jealousy, and an unforgiving spirit. In addition, I understand that certain types of activities are questionable and will avoid these activities for testimony's sake.

While the Institution recognizes that personal preferences differ and that every member of the Institution community might not agree with every detail of these standards, I must honorably adhere to them. Such an attitude on my part is one of the ways I can develop Christian discipline, exhibit Christian maturity, and demonstrate the love of Christ in concern, both for the integrity of the Institution and the welfare of other believers.

Specific questions or concerns related to these Ethical Conduct Standards should be directed to the Chancellor and Vice-Chancellor of the Seminary.

I understand and will comply with these standards while I am actively enrolled at Sola Scriptura College and Seminary. I understand any violation of the standards will result in disciplinary action or procedures as set forth or referenced in Seminary Catalogue.

Înțeleg că pregătirea pentru lucrarea creștină necesită angajamentul meu personal față de Domnul Isus Cristos și separarea de păcat. De asemenea, înțeleg că, în calitate de student al SSCS, eu Îl reprezint pe Domnul Isus Cristos, precum și această Instituție. Sunt conștient că Scriptura interzice anumite comportamente și atitudini, precum furtul, minciuna, bârfa, vorbirea de rău, limbajul vulgar, beția, consumul de droguri, imoralitatea sexuală, practicile oculte, înșelătoria, pofta, mândria, amărăciunea, discriminarea, gelozia și un spirit neiertător. De asemenea, înțeleg că anumite tipuri de activități sunt îndoielnice și voi evita astfel de activități de dragul mărturiei creștine.

Deși această Instituție admite faptul că preferințele personale diferă și că nu fiecare membru al comunității Instituției va fi de acord cu fiecare detaliu al acestor standarde, eu trebuie să le accept în mod onorabil. O astfel de atitudine din partea mea este una din modalitățile prin care pot să îmi dezvolt disciplina creștină, să arăt maturitate creștină și să demonstrez dragostea lui Cristos atât pentru integritatea Instituției, cât și pentru bunăstarea altor credincioși.

Întrebările sau problemele specifice legate de aceste Standarde de Conduită Etică trebuie adresate Chancellorului și Vice-Chancellorului Seminarului.

Înțeleg și sunt de acord cu aceste standarde pe durata înscrierii mele active la Sola Scriptura College and Seminary. Înțeleg că orice încălcare a standardelor va rezulta în luarea de măsuri sau proceduri de disciplinare, după cum au fost expuse sau menționate în Catalogul Seminarului.
